Drop off and pick Procedures

Drop off:

- Regular camp drop-off begins at 8:00am and ends at 8:30am
- **Students may NOT attend camp if they are dropped off later than 9am**
- If a student is late and their group has left on a field trip, they must go home for the day.

Pick up:

- Pick up begins at 2:45pm for all students and ends at 3:15pm
- Students signed up for aftercare must be picked up by 6:00pm
- If you are late picking up your child for pick up or aftercare, you will be charged additional fees.

Sickness and Illness at school

Please do NOT bring students to school who are sick or show signs of sickness at home.

Please do NOT medicate your child before summer camp.

If your child has a communicable illness, they MAY NOT attend camp. If your child becomes ill at camp, you will be notified immediately to pick up your child. Campers may not return until they are (medication free) fever free for 24 hours. The same is true for vomiting or diarrhea. If you send a sick child to camp you will be called to return and pick them up.

Field trip days: (PLEASE READ)

The following policies will apply:

1. Campers MUST wear their summer camp T shirt. Students not wearing their summer camp t-shirt will not be allowed to attend field trips.
2. Campers must have submitted their field trip money in advance to attend field trips.
3. If you do not wish for your child to attend one of the trips, **please keep them at home because there will be no counselors to supervise them.**
4. Field trips are a fun and creative way to give our campers the most out of their summer experience. However, **the school administration reserves the right to deny field trip privileges to campers who have shown unacceptable behavior such as inappropriate language, failure to keep hands and feet to themselves, or disrespect of any kind.**
5. If a student is late and their group has left on a field trip, **they must go home for the day.**

Class Dojo

Class Dojo, a phone app that allows parents to communicate with leaders, will be utilized during summer camp. This app will keep you updated on behavior of your child as well as connects you with pictures and videos during our activities, fun field trips and camp visitors.

Medication

If your child needs to take any medication during camp hours, **the medication must be delivered to the office**. It must be in its original container with the appropriate label and instructions. It must also be labeled with your child's name and appropriate dosage information. A medication consent form must be completed prior to the first day of camp. Campers are not permitted to keep inhalers in their bags, for safety reasons. In addition, our staff needs to document all medication dispensation.

If your child suffers from severe food allergies or other debilitating conditions, you must fill out a food allergy action plan (signed by a doctor) for a staff to follow in the event of an emergency. Allergy sufferers also provide Epi-pens and Benadryl to the office.

Injuries

If your child becomes injured at camp you will be notified immediately. Camp counselors are certified in CPR and First Aid. Campers with serious injuries that require emergency medical attention will be transported to Anne Arundel Medical Center via ambulance for treatment. You will be notified in case of emergencies.

Sunscreen

Parents are encouraged to apply sunscreen to their campers before arrival. Sunscreen may be kept in campers' bags and be applied by the campers with some assistance. Camp counselors will not apply sunscreen. Sunscreen statement **MUST** be signed for counselors to assist.

Extreme Heat

Most of our program takes place outdoors. However, there is a shaded portion provided by trees. When the heat index exceeds 100 degrees Fahrenheit, we will run our afternoons on a modified schedule to provide relief indoors.

Book of Life behavior plan

Book of Life academy is a great option for parents looking for a positive experience for their child all summer long. We want our program to give each camper a unique experience during summertime. Our counselor to camper ratio is 15 to 1 or lower, we do not have the capability to provide an aide for any camper due to behavior or health concerns.

We have two basic expectations for all campers:

1. Treat yourself and others positively.

Examples of not meeting this expectation: arguing with campers or counselors, name calling, teasing, disrupting camp activities, damaging school property, talking while counselors are talking, fighting, bullying, threatening others, stealing, etc.

2. Participate with a good attitude.

Examples of not meeting this expectation: poor sportsmanship, not following directions, playing fair during games and free time, not trying a new activity, etc.

Daily behavior management system: Campers will be taught the rules and habits for summer camp behavior during the first 2 weeks of summer camp. This will limit the number of issues we may have for the entire summer. After this "grace period", minor infractions such as general camp disruptions will be handled using a daily stoplight system with the following consequence:

First offense: verbal warning

Second offense: removal from activity

Third offense: removal from an entire camp activity, and written violation slip will be filled out

Fourth offense: camper will be sent home for the day, and a written violation slip will be filled out

Written violation slip: Violation slips are a means of documenting camp behavior infractions. A written violation slip can be given for repeated basic infractions, or for more serious offenses such as bullying, swearing, stealing, threats to a camper or counselor, physical harm to self, another child or staff member, etc.

1 Violation slip: removal from an entire camp activity

2 violation slips: removal from an entire camp activity

3 violation slips: one day suspension out of the program with a mandatory parent meeting with the administration before the child can return. (No tuition or fees will be returned in such cases)

4 violation slips: dismissal from the program (the administration will approve such violation)

*Book of Life summer camp reserves the right to dismiss campers from the program for severe infractions without going through all the steps mentioned above or for any other problem/ issue that could be detrimental to the program or other children.

Statement of Cooperation

By signing this agreement, I give permission for my child to participate in all Book of Life Academy summer camp activities. I have read and fully understand all aspects of the summer camp regulations, policies, and procedures. I understand that if I have a complaint I will consult the regulations, policies, and procedures before seeking resolution with the camp staff at Book of Life Academy. In signing, I agree to all terms and conditions stated in this document.
